## Working Hard at Barrow

Our second week of the new term and it has been lovely to see how well the children have settled back into familiar school routines following the holidays. The children continue to work hard and it is a pleasure to see their excellent work ethic. We are working very hard in school to update several things, so please remember to check our school website for up to date information about school and events. The newsletter is on there every Thursday.

## School Sports Kit- Sponsors needed

I am acutely aware that we are in need of some smart team kits to help our school shine and look the part when we represent school at various events. At our latest event, despite winning very ably, we did arrive looking like we were never in with a chance! So we are working hard to purchase 3 lots of kit in school. A football kit, netball/basketball kit, athletics/running kit and some warm jackets with the school name on. All of these will be in the school colours with badges. So do you own, know of a business that could sponsor a kit. We would be keen to put the company logo on the kit as well as our school badge. We have Surridge Sport's wear lined up to produce the kits. So if you can help us, please get in touch.

## Values

A list will come home on Friday. Please can you work with your child to choose which 6 of these values you think are the most important to us at Barrow.

We intend to make some big canvases with an artist displaying our Values and display them in school.
