KS1 After School Programme at Barrow Controlled School

Time: Monday at 3.30pm - 4.30pm

Dates: 2nd, 9th, 16th, 23rd OCT, 6th, 13th, 20th, 27th NOV

8 weeks, £60 per child (£54 for concessions and additional siblings).

Please give your registration form and cheque to the school office by Thursday 14th September 2017.

Please make cheques payable to **Mad Science**.

20 Max per class, first come, first served! Thank you!

Eye to Eye

Ever wondered what the inside of your eye looks like? Have a look and investigate all sorts of visual phenomena! You'll even get to take home your own Mad Science Periscope!

Animal Friends

Fur, feathers and fins! Find out about your favourite animal friends and the noises they make! Make and take home your own animal footprints!

Colour

Explore rainbows and colour mixing, watch liquids magically change colour before your eyes and make your very own Mad Science Sun Catcher!

Touch, Taste, Smell

Investigate the world around you using your sensational senses! Try to identify objects without looking at them and use your sense of taste to create your own taste test kit!

Shapes and Structures

This hands-on introduction to engineering science will give you the chance to investigate and make shapes from a variety of things – including your own body! And you'll even build your own twist and lock shape to take home!

Energy and Motion

Did you know energy can be stored? Find out how and take part in our most energetic experiments yet! Watch a slinky walk down the stairs and take home your own Boink!

Lets Measure

Learn to measure like a scientist. Find out about heavy and light, long and short and take your graduated gear home to continue the measuring madness!

Healthy Choices

Discover how to stay fit and healthy and find out which food will help your bones stay strong! Plan a healthy meal and take home your own Mad Science Pedometer! (SYSTEM B)
